# REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

*To the School Board and Citizens of Gilmanton:*

I herewith submit my third annual report as superintendent of schools.

The organization of the Tilton-Northfield Supervisory Union remains the same as last year, consisting of the school districts of Tilton-Northfield, Belmont, Canterbury, Gilford and Gilmanton. There are forty-six teachers and nearly twelve hundred pupils in the union.

## STATISTICS

The following is a comparison of certain records for the school year ending June 30, 1935, with those of the year previous:

	1933-34	1934-35
No. of schools in session	7	8
No. of pupils registered	144	158
Average membership	128	136
Per cent of attendance	93	92
Cases of tardiness	274	399
No. of pupils not absent or tardy	14	18
Pupils transported at District expense	17	27
Visits by superintendent	148	123
Visits by citizens	353	350
Visits by board members	15	16
Per pupil cost	73.56	67.07

## CLOSING EXERCISES

Closing exercises for all the schools were held jointly

at Academy Hall, the evening of June 13, 1935. The program was presented entirely by the pupils under the direction of the teachers. Each school of the district was represented on the program. The bringing together of all the children of the district for such an occasion seems a worthwhile project.

Diplomas were presented those pupils completing the eighth grade work and who were qualified to enter high school. The following was the class roll:

*Corner*

Everett E. Clifford  
Grace A. McClary  
Judson A. Wilson

*Jones' Mills*

Edward J. Heinis  
Fred L. Twombly

*Sanborn*

Raymond A. Perreault

*Iron Works*

Philip P. Bordeau  
Robert E. Bordeau  
Thomas S. Edwards

*Kelley's Corner*

George F. Kelley

From this group of ten there were eight who entered high school in September, four going to Laconia, three to Alton, and one to Pittsfield.

#### TEACHERS

We have had six changes in our teaching force within the year. Mrs. Gladys Carpenter Gassett resigned in April and Edna L. Young substituted for the remainder of the year at the Sanborn School.

Five teachers resigned in June. Miss Patricia Willey of Alton, a graduate of Plymouth, succeeded Mrs. Beatrice Eastman in the upper grade room at the Iron Works. Miss Dorothy Boland, an experienced teacher, was chosen to fill the vacancy at the Gale School. Miss Eleanor Cronin of Manchester, a graduate of Plymouth, replaced Mrs. Helene Blodgett Bettis at the Potter School. Miss Anna Gobis of Manchester, a Plymouth graduate, succeeded Miss Alma Lakeman at Kelley's Corner. Mr. Richard Erwin of Barnstead an experienced teacher, was chosen to fill the vacancy at Jones' Mills caused by the resignation of Miss Alice Payne.

Within a two-year period there has been a complete change in the teaching force.

A real problem presented itself to the school board as to how best to serve the Guinea Ridge, Sanborn and Gale neighborhoods in the matter of school accommodations. For several years the children from these neighborhoods had been brought together at the Sanborn school, but this arrangement was not meeting satisfactorily the changed conditions. The school board finally decided to transport the children on Guinea Ridge to Gilmanton Iron Works, and to transfer the school from the Sanborn to the Gale building. These new arrangements became effective with the opening of schools in September. The transportation of the Guinea Ridge children to the Gilmanton Iron Works school has worked out most satisfactorily for all concerned.

The following table shows the present assignment of teachers, salaries, and enrollment at each school:

Teacher	School	Salary	Enr'l
Alfreda Hersey	Gilmanton Cor.	\$900	25
Richard Erwin	Jones' Mills	800	13
Anna Gobis	Kelley's Cor.	750	13
Eleanor Cronin	Potter	700	18
Rosemary MacAulay	Smith Mtg. H.	800	18
Dorothy Boland	Gale	800	11
Arlene Dorjan	Iron Wks. (I-IV)	800	14
Patricia Willey	Iron Wks. (V-VIII)	825	19

Our total enrollment at this writing is 131, compared with 142 one year ago. The records show that in 1851, eight-five years ago, there were enrolled during the winter term in the Gilmanton Schools 876 pupils and 95 in Gil-

manton Academy. It is only fair to state that at that time Gilmanton included a larger area.

### HIGH SCHOOL PUPILS

The following Gilmanton pupils were enrolled in high school in September 1935:

#### *Alton High School*

Alice Perkins	Vera Edwards
Leon Perkins	Thomas Edwards
Doris Perkins	Richard Price
Lawrence Scoville	Robert Bordeau
Clarence Graeme	Philip Bordeau
Constance Davis	Evelyn Page

#### *Laconia High School*

Ruth A. Clifford	Lewis Cota
Everett Clifford	Edward Heinis
Henry Langley	Mary Maltais
Grace McClary	Ethel Page
George Riggins	Courtland Wilson
Herbert Munsey	John Svacz
	Judson Wilson

#### *Pittsfield High School*

George Kelley	Margaret Edgerly
Charles Edgerly	Wanda Schlaitas
	Pauline French

The present enrollment is 28, which is practically double the enrollment a year ago. There is every indication

that the enrollment of Gilmanton children in high schools for the next school year will be considerably increased.

#### IMPROVEMENTS

In cooperation with the E. R. A., much needed improvements were made at the Iron Works. The school grounds were graded and drained with the result that we have a playground which in part meets the needs of the school.

In addition the basement was enlarged, the approach to the toilets improved, and the old chemical toilets removed and septic toilets installed. These new septic toilets are proving much more satisfactory than the chemical.

It will be necessary this next summer to replace the chemical toilets at Gilmanton Corner which are no longer satisfactory.

If either the Sanborn or Gale building is to be used next year remodeling to secure more satisfactory lighting conditions will be necessary. The State Department has called the attention of the school board to these unsatisfactory conditions and has stated that "a sufficient appropriation should be made at the next March meeting to adequately remodel one of these buildings" in case one is to be used.

#### SCHOOL NURSE

Miss Ruth S. Langille presents the following report as school nurse:

In spite of adverse conditions, the children of Gilmanton seem to be in fairly good health. No serious epidemics

have occurred and the general resistance to disease seems to have been kept up very well

Very little has been done to correct some of the physical defects accumulating because of the lack of funds to accomplish this work. A dental clinic is badly needed. There are very few children in Gilmanton whose teeth have had any attention to put them in good condition. Several cases of bad tonsils and adenoids should be operated as soon as possible. And in spite of the fact that fourteen children were fitted to glasses last year, several more have been noticed this year, who badly need glasses. It has been very disappointing not to have been able to accomplish more clinic work but it is very difficult to do this with no money guaranteed, and very few able to pay for it. Following will be found a statistical report of health work done in Gilmanton schools last year;

Visits to schools 64; to home 209; days spent 29; pupils examined 144; defects found 225; defects corrected 67; children without defects 23. One child was taken twice to an ear clinic at Concord, two were treated at dental clinics at Laconia, and fourteen were taken to eye clinics in Rochester and fitted to glasses.

#### FINANCES

There is a probability that there will be a deficit this current year of at least one thousand dollars (\$1,000). This is due to a much larger expenditure for high school tuition than was anticipated, and to the expense involved in the improvements at the Iron Works. The school board is recommending a special appropriation of one thousand dollars (\$1,000) to cover the deficit.

The continued cooperation which I have received from the School Board and teachers is sincerely appreciated.

Respectfully submitted,

CHANNING T. SANBORN,

*Superintendent of Schools.*
